

Ningxia Zhang

CS Master in HCI

ningxiaz.github.io | ningxia.z@gmail.com | 650. 704. 0652

SKILLS

Programming

HTML5/CSS3/JavaScript
Python
Java
Ruby on Rails
AngularJS
Node.js
D3

Design

Design Thinking
Needfinding
Rapid Prototyping
UI Design
Interaction Design

Tools

Photoshop
Illustrator
Sublime Text

Language

Chinese (native)
English (fluent)

INTERESTS

Indie Music/Singing
Modern Art
Traveling
Yoga
Blogging
Sketch/Painting

EDUCATION

Stanford University *Stanford, CA*

Master of Computer Science in HCI *Sep. 2012 - Jun. 2014*
Courses: Introduction to HCI, Data Visualization, Machine Learning, Interactive Design Studio, Computers and Interfaces, ReDesigning Theater, Research Topics in HCI, Artificial Intelligence, Social Network Analysis, Needfinding etc.

Fudan University *Shanghai, China*

Bachelor of Engineering in Software Engineering *Sep. 2008 - Jun. 2012*
Courses: Operating Systems, Computer Graphics, Database Design, Computer Network, Project Management, Artificial Intelligence etc.
Rank: 1/47

University College Dublin *Dublin, Ireland (Joint Degree)*

Bachelor of Science in Computer Science *Sep. 2009 - Jun. 2012*

EXPERIENCE

Stanford University *Stanford, US*

Teaching Assistant *Sep. 2013 - Dec. 2013*
Graded assignments for CS229 Machine Learning by Prof. Andrew Ng.
